Account holder's signature

Final Application Signature:		Date Submitted:	
Print Name:			

APPLICANT SUBMISSION - Please submit the completed, signed application and required documentation via the online portal:

Submit application: Upload to online rebate portal

Upload this form and invoice, with rebate credit shown, to the [online rebate portal](#).

Air sealing worksheet

This worksheet must be completed for all projects applying for an air sealing rebate. Do not leave any fields blank.

Blower door test

Blower Door Location:		Baseline:		Date of Testing:	
Outside Temperature:		Indoor Temperature:		Wind Conditions:	☐ Calm ☐ Windy ☐ Gusty
Ring Used:	☐ Open ☐ A-ring ☐ B-ring	Pre-CFM50:		Post-CFM50:	

Building airflow standard (BAS)

Building Ventilation:	Volume:		$x\ 0.35 \div 60 =$		Enter greatest amount calculated from left side:	
Occupant Ventilation:	# of Occupants:		$x\ 15 =$		Enter N factor:	x
Bedroom Ventilation:	# of Bedrooms:		$x\ 15 + 15 =$		Multiply above amounts to determine the BAS:	$=$
Is the final blower door reading below the building airflow standard recorded above?:					☐ Yes ☐ No If "Yes" box is checked, detail actions taken to remedy in the "notes" section below.	

Air sealing checklist

☐ Attic hatch(es) Qty: _____	☐ Duct penetration(s) Qty: _____	☐ Mechanical chase(s)	☐ Recessed light(s) Qty: _____
☐ Attic level transitions	☐ Electrical penetrations	☐ Missing top plates (exterior)	☐ Soil stack(s) Qty: _____
☐ Chimney penetrations	☐ Exhaust fan(s) Qty: _____	☐ Missing top plates (interior)	List any additional major items in the "notes" section below.
☐ Drop soffits	☐ Knee wall transitions	☐ Plumbing chase(s)	

CAZ pressure testing

Zone location	Baseline	Worst case	Pass/fail

Combustion safety testing

Appliance	Spillage (yes/no)	Draft	CO	Pass/fail

Notes

Additional comments:

BPI technician information and signature

I certify the results of these tests are accurate and were performed to BPI standards.

BPI Technician Name:		BPI Certification Number:	
BPI Technician's Signature:		Date:	

Terms and conditions

1. **Rebate Offer:** Weatherization rebates are available through Peoples Gas and North Shore Gas to assist customers in making energy efficiency improvements. This program is available from January 1, 2026 to December 31, 2026 to eligible Peoples Gas and North Shore Gas customers ("Customers"). Weatherization rebate applications must be received within 30 days of installation date to be eligible and no later than December 31, 2026. Projects must result in reduced natural gas use due to improvements in energy efficiency. Reduced natural gas use resulting from fuel switching, power generation, renewable energy or operating schedule changes will not qualify.
2. **Eligibility:** Weatherization measures must be new and completed in a qualifying residential dwelling that is a customer of Peoples Gas or North Shore Gas and/or a delivery service customer in Illinois. The dwelling must use natural gas as the primary heating source to be eligible. In order to qualify, all weatherization measures must be installed by contractors on the approved contractor lists. Your eligibility for this offer is subject to approval by our designated program administrator.
3. **Compliance:**
 - a. All projects must comply with the applicable federal, state and local laws and regulations, including building codes.
 - b. Weatherization projects must be installed in an existing building.
 - c. Not available for new construction, building additions or major renovations.
 - d. Only one rebate will be granted for each project.
4. **Delivery:** Applications must be delivered via the online rebate portal:
 - i. Online Rebate Portal: tradeally.efficiencynavigator.com
5. **Applications:** Submissions must have complete information and include:
 - a. The entire completed online rebate portal application signed by the Customer.
 - b. A copy of the Customer's most recent natural gas utility bill.
 - c. A clear, legible copy of the invoice showing contractor name, installation date and address, Customer name and total project cost including labor.
 - i. Air sealing projects must include pre- and post-blower door readings
 - ii. If also applying for attic and/or additional insulation, square footage, insulation type and R-value of attic insulation pre- and post-installation must be included
 - iii. Duct sealing projects must include pre- and post-duct leakage readings
 - iv. All weatherization rebates will be made payable to the contractor in order to lower upfront costs for the Customer; the invoice must show that the rebate was deducted from the total project's cost and not charged to the Customer
6. **Payment:** Once completed paperwork is submitted, rebate payments are usually made within 6-8 weeks. Incomplete applications will either delay payments or result in denial of the application. Peoples Gas and/or North Shore Gas reserve the right to refuse payment and participation if the Customer or contractor violates program terms and conditions.
7. **Inspection:** Program staff reserves the right to conduct on-site pre- and post-inspections of proposed and installed projects.
8. **Tax Information:** Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Peoples Gas and/or North Shore Gas are not responsible for any tax liability imposed on the Customer or contractor as a result of the payment of rebates.
9. **Publicity:** Peoples Gas and/or North Shore Gas reserve the right to publicize participation in this program, unless you specifically request otherwise in writing.
10. **Program Discretion:** Rebates are available on a first-come, first-served basis. Rebate amounts and offerings are subject to change or termination without notice at the discretion of Peoples Gas and/or North Shore Gas.
11. **Logo Use:** Customers or contractors may not use the Peoples Gas or North Shore Gas company and program names or logos in any marketing, advertising or promotional material without written permission.
12. **Disclaimers:** The Customer will defend, hold harmless and release Peoples Gas Light and Coke Company and North Shore Gas Company, and each company's affiliates, officers, directors, shareholders, agents, employees, contractors and representatives from any and all claims, liabilities, fines, interest, costs, expenses and damages (including attorney's fees and court costs) incurred by the Customer or its contractors or any third party for any damage, injury, death, loss or destruction of any kind to persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the acts or omissions of Peoples Gas or North Shore Gas or the company's affiliates, officers, directors, shareholders, agents, employees, contractors or representatives or to the rebate program. Peoples Gas or North Shore Gas do not endorse any particular manufacturer, product, labor or system design by offering these programs.

PEOPLES GAS and NORTH SHORE GAS DO NOT EXPRESSLY OR IMPLICITLY WARRANT THE PERFORMANCE OF ANY EQUIPMENT OR ANY CONTRACTOR'S QUALITY OF WORK. NO WARRANTY OF ANY KIND, WHETHER STATUTORY, WRITTEN, ORAL OR IMPLIED (INCLUDING WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY) WILL APPLY. (Contact your contractor or equipment supplier for any warranties.)

Release of customer information: Customer agrees to the release by Peoples Gas and/or North Shore Gas of any Customer data, including personally identifiable information, to any contractor or other vendor providing services or support under the program.
13. **Verification:** Any Customer receiving a rebate may be contacted by an evaluator to verify service/equipment installation or be asked to complete a Customer survey.

Please allow 6-8 weeks for application processing. Rebates are paid by ACH in U.S. dollars. All submitted materials become property of rebate sponsor and will NOT be returned. For questions about Peoples Gas or North Shore Gas projects, please call **855-849-8928**.
