

Approved Weatherization Contractors

Valid Jan. 1, 2026 - Dec. 31, 2026

North Shore Gas weatherization rebates for air sealing, insulation, and duct sealing are only available for home improvements performed by contractors who are approved by the program. The approved contractors listed below hold specific certifications and have received training on program requirements and specifications. Rebates will be issued in the form of an instant discount for qualifying projects to lower the upfront cost to the customer. This list below is effective as of January 1, 2026.

North Shore Gas is providing this list of independent, approved contractors as a convenience to our customers. It is not intended as an endorsement, promotion, or recommendation of any of the contractors provided. To be eligible for the air sealing, insulation and duct sealing rebates, the work must be performed by one of the independent, approved contractors listed above. Each approved contractor has been trained on participation requirements and will be able to submit your rebate application. As each contractor establishes their own pricing, you may wish to obtain cost estimates from multiple independent approved contractors. In no event shall North Shore Gas be liable under any circumstances whatsoever for the work performed by any independent approved contractor under this rebate offering, including but not limited to, performance of the work, warranties, false or outdated information and data provided, and you agree to hold North Shore Gas harmless from any claims, damages, or liabilities incurred by you in connection with your selection and use of an independent, approved contractor under this rebate offering.
